

SMART AUDITS IN MANUFACTURING
FAST. CLEAR. PAPERLESS.

LeanAudit: Take Control of Your Audits

Digital audits are more than just forms on a screen.

- ✓ Excel and paper might get the job done - but they lack speed, structure, and transparency.
- ✓ LeanAudit transforms audits into a practical tool for driving continuous improvement across teams.
- ✓ Gain faster execution, clearer accountability, and consistent follow-through.

Custom Audits **For Every Use Case**

- ✓ 5S and visual workplace standards
- ✓ Layered Process Audits (LPA)
- ✓ Safety, EHS, and compliance checks
- ✓ Gemba walks with structured follow-up

Need something specific? **Build your own checklists tailored to your process, team, or initiative.**

Practical Features. Tangible Results.

Custom **audit templates** tailored to your **exact processes**

Multiple **question types** and **scoring options** for consistent outcomes

Photos and **comments** add real context - captured right on the spot

Email alerts to responsible teams for faster follow-up

Instant evaluation as soon as the audit is closed

Mobile and **tablet-friendly** - no rewriting, no extra steps

Audit Template Builder: Add sections and questions, then fine-tune your audit layout with simple drag & drop.

The screenshot displays the 'Gemba Walk (Lite)' audit template configuration interface within the LeanAudit app. The browser address bar shows 'LeanAudit.app'. The top navigation bar includes the 'lean audit' logo, a breadcrumb trail 'LeanAudit > Plant management > Audit templates > Gemba Walk (Lite)', and user information 'LA Lean company Admin Administrator'.

The left sidebar contains navigation icons for: RETURN TO THE APP, GENERAL, EVALUATION TYPES, AUDIT EVALUATION, AUDITOR LISTS, AUDIT TEMPLATES (highlighted), and CHECKLIST ITEMS.

The main content area is divided into two columns. The left column displays the template details:

- Name:** Gemba Walk (Lite)
- Code:** GWL
- Responsible person:** Lean company Admin
- Repetition plan:** Weekly
- Expected duration:** 30 minutes
- Status:** ACTIVE
- Last updated:** Sep 25, 2025
- Evaluation mode:** Standard (score)

Below the evaluation mode, two threshold boxes are shown:

- 50** CONDITIONAL AUDIT THRESHOLD
- 75** PASS THRESHOLD AUDIT

The right column features a 'CREATE NEW SECTION' button and a list of audit sections:

- 1: Walkways
- 2: Signage
- Are safety signs and visual markings in good condition?
- 3: Equipment
- 4: Cleanliness
- 5: Standards

A plus icon (+) is located below the 'Signage' section, indicating the option to add new questions or sections.
